Forecast For Strathclyde
Issued by Met Office Aberdeen
at 1600 on Monday 18 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Becoming cloudy with light rain possible in the south Tuesday.

This Evening and Tonight:
Cloud building through the evening and night, bringing some patchy rain to southern areas by dawn, but remaining dry in the Central Belt. Frost forming towards dawn for inland rural parts. Minimum temperature 0 deg C (32 deg F).

Tuesday:
Cloudy but dry morning in Central Belt, otherwise overcast with rain increasingly encroaching from the south and turning to sleet and snow at times later. Sunshine and showers across Argyll. Maximum temperature 5 deg C (41 deg F).

Outlook for Wednesday to Friday:
Rain or sleet Wednesday but dryer in the afternoon for most. Brisk northerly winds bringing wintry showers for Thursday. Cold in northerly breezes Friday, but mostly dry and bright.
